- Does the height and width of your buddy fit your body type perfectly

Choose from the three different models

The most suitable buddy is the one that you fit into perfectly

	height	Body weight
elvis	5.2" to 5.7"	45 to 75kg
toby	5.6" to 5.10"	60 to 85kg
bernard	5.9" to 6.2"	80 to 110kg

- Does the foot rest of your buddy glide to accommodate to your feet. Make sure your feet are within the fully stretched foot rest when you are in the fully reclined position
- Does the buddy move or shake when you have locked it at the most comfortable position if you shake
- Does it support your neck in all positions when you lie down, read a book or watch TV.
- Does the buddy feed stable and safe while reclining
- Does the buddy provide good lumbar support in all positions
- Does the buddy relax your body after you have taken a 15 minutes

A perfect fit matters

It's worth investing some time to choose a comfortable way of living.

It's unlikely that one size can fit all, Each body type is different and therefore the size of the perfect recliner also has to vary. The differences between Elvis, Bernard and Toby are subtle, as soon as you sit down you will realize which of these recliners fit your body perfectly.

Make sure you spend enough time trying each of the models as going to be worth choosing the right fit as going to serve you for many years to come.

Adjustable foot rest

German mechanisms

Silent German motor

Charge 4 hours and recline 400 times / no cables running around

Most efficient remote which allows you to adjust the back and foot rest separately there by allowing you to find the most suitable reclining positions

Discover the features of true comfort

Smooth and silent glide to comfort. after years of reacerch and devolopments the germans have made an engineering wonder.

The B 63 Mechanism made in germany is today considerd among the best electrical mechanisms in the world.The twin motor options allows you to controll back and the foot rest seperately ensuring you can lock your sweet spot and enjoy total comfort with out having the fear of disturbing the sweet spot with the small body movement.

GREAT COMBINATION OF STYLE AND COMFORT...

Most often some of the most comfortable recliners are not stylish, with buddy you are assured of smart sophisticated design without compromising comfort.

FLEXIBILITY AND CUSTOMISATION

Buddy recliner can be ordered in many variants of leather and can be ordered in the single, love seat or home theater combination.

COMFORTS THE WAY YOU LIKE IT...

A new experience in movie watching.

While some like a cozy love seat, in which they could cuddle up with their loved ones for some movie watching is a personal experience.

Buddy offers the highest level of flexibility and allows each family to customise their very own home theatre seating.

A MOVIE EXPERIENCE NEVER FELT LIKE THIS BEFORE

The buddy home cinema setup is an experience by itself, the smart and sleek looks brings a sense of clean and tidiness. Every one has in a table with cup holders with in reach the smart storage compartement allows you to stove away dvd's, casets, and hand held remotes.

The adjustable head rest allows you to support your neck perfectly while you recline to the idle viewing angle allowing you to sit through the longest block busters most comfortably.

EVERY BODY GETS THE BEST SEATS...

Any home big or small there is a buddy.

The genius lies in the flexible models you can customised a small two seater home theater arrangement and or go up all the way to 100 seater.

All the three models elvis, toby and burnard can be offered in any of the configuration.
